PRODUCT DESCRIPTION

The 19" inline Snap-in-Jack Patch Panel accommodates 24 ports within a 1U configuration and is compatible with all standard 19" racks and cabinets. All outlets are numerically identified with an additional writable surface allowing for ease of port naming. In addition to this, each panel has been designed with a cable management/strain relief feature built into the rear.

Each panel is supplied with cable ties, panel mounting accessories and short form installation instructions.
