

T40 three anti-terminal products industry

ZTE T40 Android 4.1.2-based platform, is a rugged, Durable, powerful, innovative design three anti intercom mobile intelligent terminal. With NFC Near Field Communication, GPS positioning and wireless real-time communications capabilities for field operations, property management, construction, catering accommodation, administrative enforcement France, manufacturing mining and other industrial applications unparalleled efficiency. T40 Android-based system, can provide a standard development environment for customers to quickly set Made their industrial applications. Third Anti-level up to IP67 rating, with a strong Waterproof and dustproof properties.

T40 Advantages

NFC

Active, passive mode selection, supports a variety of application modes; transmission speeds greater than 100Kbps, meet the data transfer application protocol layer hardware encryption, safe; 13.56MHz band, mainstream international standards

Three anti-design

IP67-rated dust, water; anti 1.5 m drop; Working temperature: -20 °C to 60 °C; evil little environmental practices for field

Standby battery life

2900mAh high capacity lithium battery, 2 hours fast charge; high-performance, low-power design, ultra-long standby, Work more than 8 hours battery life mode

T40 Technical Specifications

Category	Specifications Description
Platform	Android4.1
CPU	Qualcomm MSM8625Q Quad 1.2GHz
Memory	1G RAM+ 4GB ROM
Display	4.3' inches IPS , 960*540
Battery	2900mAH More than 8 hours working time
Sensor	Acceleration sensor, proximity sensor, light sensor, eCompass

Category	Specifications Description
Wireless	CDMA2000 1xEV-DO: 800 MHz GSM/GPRS/850/900/1800/1900MHz WCDMA UTMS 2100MHz Single card standby WIFI:802.11b/g/n Bluetooth 4.0
Camera	Back 8.0M , Front 0.3M NFC : 13.56MHz
Three anti Level	Support IP67
Location	GPS/AGPS
Hardware interface	RS232 serial port Micro USB 2.0/OTG

T40 product application scenarios

Factories and mines inspection

Safety enforcement

Energy Meter Reading
